STROLL THROUGH HISTORY

WOODLAND, CALIFORNIA

PHOTOGRAPHY EXHIBIT TO CELEBRATE 20th ANNIVERSARY

ARTIST's RECEPTION FRIDAY, SEPTEMBER 5th

SHOW SATURDAY, SEPTEMBER 6TH, 2008

MAIN STREET, WOODLAND 9:00 AM TO 4:30 PM

APPLICATION DEADLINE AUGUST 29, 2008

ARTIST INFORMATION

*** **The Stroll Through History** is a celebration of Woodland's cultural and architectural history, which dates back to 1850. The Stroll attracts thousands of people from throughout Northern California. Details can be found at **strollthroughhistory.com.** Activities center around the Plaza Stage at 2nd and Main Street. Main Street is closed off for the day between Third Street and College Street.

*** **Purpose of the Show:** The free exhibit will be in a Main Street storefront accessible to all Stroll participants. This is our first effort to showcase local artists. We hope to get local people excited about what artists in Woodland are doing and to encourage outsiders to venture over to see us. We also hope to introduce viewers to the immense diversity of interesting details which make our area unique.

*** **Photographs:** Digital or film photographs will be accepted. While the Stroll through History has its primary focus on Woodland's unique architectural history, we are also looking for other photographs taken anywhere within Yolo County reflective of life in Woodland. Subject can be architecture, landscape, portrait, groups of people and/or animals, vintage fashion, composed or natural still life, cultural events (e.g. farm day or county fair), or any other subject that reflects our local heritage.

*** **Original Digital Art:** Many local people are not aware that Woodland has a flourishing community of creative photographers. This exhibit will be a chance to show off current local work. Images may be submitted as captured or may be digitally altered so long as the original image remains recognizable as a suitable Stroll through History subject. Image may include additional original embellishments and decorations. No stock photos, public domain photos, copyright protected photos or clip art can be used when creating digital art.

*** **Space Allocation and Hanging**: The Stroll is dependent upon the generous donation of storefront space from Main Street business owners. While we do not anticipate any problems this year, should we have too many entries for available space, priority will be given to architectural photos. Since this is our first year and we are still learning, we will not be able to offer any sort of priority for hanging of artworks. We will do our best to ensure that each work is well presented.

*** The Stroll is a non-profit charitable organization. Stroll proceeds from ticket sales and booth spaces are awarded as grants to benefit local historic restoration and community cultural resources.
