---	---	--

1. Open to all amateur and professional artists. Minimum age 18 years.
2. Subject should emphasize Woodland's architecture or view of historic or cultural significance compatible with themes of the Stroll through History.
3. Photographs must have been taken by exhibitor and must not have been previously shown at the Stoll through History. Collaborative work must be entered in the names of all participants. Works prepared under supervision of an instructor should identify both the individual and the organization.
4. Exhibitors are limited to a grand total of 12 photographs.
5. Digital or film photographs will be accepted. Images may be submitted as captured or may be digitally altered so long as the original image remains recognizable. Image may include additional original embellishments and decorations. No stock photos, public domain photos, copyright protected photos or clip art can be used when creating images.
6. All entries must be labeled on reverse side with the name, address, phone number and/or e-mail address of exhibitor.
7. Prints must be mounted, or framed and wired securely for hanging on portable display stands. Display devices for all works may be provided by exhibitor. If maximum size exceeds 36 inches in height a secure display device must be provided by exhibitor.
8. The Stroll through History committee reserves the right to screen, withhold, or reject any entries for reasons of available space or suitability for exhibit.
9. Care will be taken in handling, but no responsibility for loss or damage will be assumed. All insurance must be carried by the exhibitor.
10. For protection of exhibitors, no entries will be removed during the Stroll through History. Items sold must remain hanging until released on Sunday.
